Lapwings: Y5 Home Learning (summer 2)

- Here are a selection of home learning activities for the first summer half term.
- You can choose to do the activities in any order but Ione piece is to be completed each week.
- In addition, there will be **weekly** spellings, times tables and Guided Reading home learning.
- \bullet This home learning grid is available on the school website to download and print at home.
- Home learning is to be handed in each Tuesday.

= worksheet / additional information provided.

| 1.English — narrative | 2.Maths | 3.SPaG |
|---|--|---|
| Where in the world will Fogg and Passepartout be in your | Write a written explanation, giving examples, of how to relate fractions to decimals and to percentages (%) Explain how the place values of the digits can help you to find the answer as if you were teaching it to someone else (you could practise on someone at home!) e.g. Why is 0.01 = 1/100 = 1% | well why dont you do it then scoffed Andrew Id like nothing better replied Phileas Foga calmly I will show you that it can be done |
| Can you link the opening and ending? 4. Country project Make your own map either of Japan or of a country you know or have visited. Aim to onclude: A scale e.g. 1cm = 100km A colour key for different types of land e.g. grey for cities, green for famland, white for mountains, blue for water etc The capital city What other features can you include? | What features does a shark have that benefit its survival? | 6.Art Find an image of Tokyo at night and then, using a media of your choice, create a cityscape of Tokyo. |

If you would like to do any other home learning linked to anything we are doing at school then please do.
