

This is the optional home learning. Please do not forget that times tables, spellings and reading homework are non-negotiable. After weekly spellings, times tables and reading, there remains about half an hour for other home learning. If your child wishes to complete additional pieces, then they are free to choose from the activities detailed below. This grid, and any home learning sheets needed, are also available on the school website and our class Starz pages. The file name is the same as the box number.
