

Your child has the opportunity to complete one piece of home learning each fortnight from the options below should they so wish. This grid, and any home learning sheets needed, are also available on the school website. The file name is the same as the box number. Please let us know if your child needs a paper copy.

= worksheet / additional information provided.

<p><b>1 English – characters within stories</b></p> <p>Can you create a short story based on one of your favourite toys from home? Try to include as much detail as possible about the character of the toy.</p>	<p><b>2 Topic – Scotland</b></p> <p>What fascinating facts can you find out about Scotland? Create your own factfile about the country itself or an aspect of Scottish life. You can present this work in whatever form you wish.</p>	<p><b>3 Science – Rocks</b></p> <p>Use the attached worksheet to make three types of edible rock! Please make sure that you check with adults at home before starting this task.</p>
<p><b>4 PSHE – Keeping safe online</b></p> <p>Have a discussion within your family about keeping safe online at home. How do you stay safe as a family? Create a poster or write a list of the different ways you do this.</p>	<p><b>5 French</b></p> <p>Can you find out how to say common names for fruit and vegetables in French? Draw your own market stall, fill it up with your favourite fruit and veg and then label these with the correct French vocabulary!</p>	<p><b>6 Art/DT – Tartan designs</b></p> <p>Research the famous Scottish tartan designs. Can you design a tartan for your own family?</p>
