*Policy on dogs on school grounds*

Dogs are not allowed on school premises during the hours of 8.00 a.m. to 6.00 p.m. during the school week.

Exceptions to this are:

- dogs for the visually or hearing impaired
- dogs brought into school for special events or education purposes.

Outside of these hours dogs may be walked on school premises but owners should:

- keep their dogs on leads at all times
- ensure any excrement is picked up and disposed of appropriately
- ensure any dog requiring a muzzle wears one.

The Governing body asks parents and carers to show consideration to others when standing with dogs outside the school gate.
