Explain how the previous year's allocation was spent?	<p>The school used the previous year's allocation for intervention groups and to narrow attainment gaps between FSM and non-FSM pupils. The school monitors the outcomes of these intervention groups closely to ensure that this is impacting on vulnerable pupils' progress. Specific groups included:</p> <ul style="list-style-type: none"> • Catch up literacy or numeracy sessions • 1:1 tuition <p>See table below for detailed account</p>
How will the money be spent this academic year?	<p>As last year, the school is using this year's allocation for intervention groups and to narrow attainment gaps between FSM and non-FSM pupils. The school will monitor the outcomes of these intervention groups closely to ensure that this is impacting on vulnerable pupils' progress.</p> <ul style="list-style-type: none"> • Examples of the groups to be supported are detailed below.
Statement about the effect of the expenditure on the educational attainment of those pupils who were eligible for pupil premium	<p>The school will have quantitative and qualitative data to demonstrate the overall progress of pupils captured within the free school meal group. Tracking progress is undertaken using the school's Management Information System and, alongside other vulnerable groups, FSM pupils' progress is reviewed as a key indicator in a variety of contexts.</p> <p>Our data (July 2016) shows that the interventions and strategies that the school have put in place continues to enable this group of children to close the gap and that <u>they continue to show good or better progress compared to their cohort.</u></p>
