

Aim High....Fly High!

2<sup>nd</sup> February 2015

Dear Parents/Carers,

***'This is a GOOD school.' OFSTED February 2015.***

I am very proud and delighted to be able to share the recent Ofsted Inspection findings with you. The full report is attached and will be put on our website. It will be available on the Ofsted website from 9<sup>th</sup> February. Follow the link [www.ofsted.gov.uk](http://www.ofsted.gov.uk). Please do take the time to read the full report.

The inspection team was highly experienced and professional. They conducted the inspection with a very high level of scrutiny. They concluded that in **all** 5 judgement areas; Leadership and management, Behaviour and safety of pupils, Quality of teaching, Achievement of pupils and Early years provision, our school was **Good** and they gave the Overall effectiveness judgement as **Good**.

At the inspectors' feedback meeting to governors and the senior leadership team, they confirmed that some aspects were outstanding and this is indicated in the full report. The inspectors recognised that the school 'has a vibrant and stimulating curriculum' with an 'outstanding range of special events and clubs'. The quality of teaching is 'good ,with evidence of some outstanding teaching' and 'teaching assistants provide good, focused support.'

The areas for improvement identified by the inspectors, which will lead us to become outstanding, had already been identified by the leadership team and we are already working on these.

I would like to thank all the parents who found the time to fill in the Parent View and sent us their good wishes during the inspection. It was much appreciated by the staff.

Finally, I would like to thank our school's very hardworking and dedicated staff as well as the governors who support the school on a volunteer basis. Together we are a fantastic team who are ambitious for our school and well placed to improve the school further.

Yours sincerely,

Mrs. Debbie Gould  
Headteacher.
