

# Home Learning

- Here are a selection of home learning activities for this half term.
- You can choose to do the activities in any order, but we expect you to complete at least 1 each week.
- In addition every week you will be given spellings and tables to learn and Guided Reading home learning.
- This home learning grid is available on the school website to download and print at home.
- We expect home learning to be handed in every Tuesday.

= worksheet / additional information provided.

<p><b><u>1. English</u></b></p> <p>Write a letter to the government persuading them to make the school week a day shorter.</p>	<p><b><u>2. English</u></b></p> <p>Research the author Malorie Blackman and either read and write a book review for one of her other books or write a biography about her.</p>	<p><b><u>3. Maths</u></b> </p> <p>Complete the reasoning practise paper.</p> <p>Complete the arithmetic practise paper.</p>	<p><b><u>4. Maths</u></b> </p> <p><a href="https://nrich.maths.org/6398">https://nrich.maths.org/6398</a> <b>Alison says "There must be lots of rectangles whose perimeter and area have the same numerical value."</b> <b>Charlie is not so sure.</b> Can you find a rectangle that satisfies this condition? Can you come up with a convincing argument to decide who is right?</p>
<p><b><u>5. Science</u></b></p> <p>Watch examples of documentaries by Sir David Attenborough and other naturalists. Research an animal and its adaptive traits. Use any style you wish to create your own nature documentary. You may choose to create a film, poster, powerpoint etc.</p>	<p><b><u>6. Science</u></b></p> <p>Look up the Horrible Histories, Series 4, Episode 2 song called 'Charles Darwin: Natural selection'. Either learn the lyrics and if you wish you can perform it to us or write your own song on what you have learnt about evolution.</p>	<p><b><u>7. Topic</u></b></p> <p>Research Andy Warhol's art pieces. Recreate your favourite.</p>	<p><b><u>8. Topic</u></b></p> <p>Create a fact file about the history of medicine. Include anything that is of interest to you.</p>
<p><i>If you would like to do any other home learning linking to anything we are doing at school then please do. We would love to see it!</i></p>
