EUROPEAN
RESEARCHERS' NIGHT

LifeLab is part of the European Researchers' Night, which
brings science and society together across Europe.

[f](#) [t](#) [i](#) | [@camlifelab](#)

Fri 27th September

LifeLab Late at the Science Centre
7pm – 9.30pm

Free | Drop-in | Ages 14+

Cambridge Science Centre
Clifton Rd Industrial Estate, CB1 7ED

Join scientists from across Europe to chat about their research, enjoy our Kidology gameshow, and explore the Science Centre's range of activities.

.....
PuntSeq - Exploring the microbes in the River Cam | 7pm – 8pm

Free | No booking, arrive on time
Ages 18+

Portland Arms, 129 Chesterton Rd
CB4 3BA

Find out what's lurking in the water that flows through our city with the scientists behind the project.

.....
Café Sci Cambridge – LifeLab Special
7pm – 8.15pm

Free | No booking, arrive on time
Ages 16+

Espresso Library, 210 East Rd, CB1 1BG

Join us for a special edition of our lively monthly discussion series with local researchers who will try to convince you that their favourite gene is the best!

The Variables present LifeLab Special
7.30pm – 10.30pm

£6 (£4 concessions) | Booking required
Ages 18+

Cambridge Junction, Clifton Way, CB1 7GX

Join our line-up of budding comedians from the world of science and technology as they take a humorous look at their life in the lab. Hosted by The Variables.

Sat 28th September

Adventure Centre | 10am – 6pm

Free | Drop-in | All ages

Grafton Centre, East Rd, CB1 1PS

Visit the LifeLab discovery playground and enjoy exciting hands-on activities. Discover how gaming helps us explore the brain and test your detective skills to find changes in DNA. Make your own bracelet of genetic code and extract DNA from strawberries. Explore Stories from Science to discover the personalities, work, passions and quirks of the people behind the science.

.....
Quids In to Code! | 10.30am – 4.30pm

£1 / €1 – children free | Drop-in | All ages

Cambridge Science Centre
Clifton Rd Industrial Estate, CB1 7ED

Discover how biology and computer science work together to benefit human health and learn how to control a robotic arm!

Events in Ely and Peterborough too. Read more and book online at camlifelab.co.uk

Fri 27th September

LifeLab LOUD at the Key Theatre
6pm – 8.30pm

£6 (£4 concession) | Booking required
Refreshments provided | 18+

Key Theatre, Embankment Rd, PE1 1EF

What do our cells sound like? How do they communicate and co-operate? Experience an immersive and interactive sound installation, created by artistic duo, Neil Musson and Jono Retallick in partnership with local researchers. Includes a discussion with the artists and scientists over refreshments.

Sat 28th September

Adventure Lab | 10am – 6pm

Free | Drop-in | All ages

Queensgate Shopping Centre
Long Causeway, PE1 1NT

We're turning Queensgate into a lab for the day! Come and get hands-on with real science with friendly scientists, extract DNA and marvel over microscopic worms. Become a scientist for the day and use real-life lab equipment to explore the cells that make up our bodies.

.....
Tell Me a Story | 10am – 4pm

Free | Drop-in | Families

Queensgate Shopping Centre
Long Causeway, PE1 1NT

Everyone loves a good story! Take a break with the children and sit down with the LifeLab team for story time. Hear fun, thrilling stories and be inspired by real life adventures! Explore Stories from Science to discover the personalities, work, passions and quirks of the people behind science.

Events in Cambridge and Ely too. Read more and book online at camlifelab.co.uk

Fri 27th September

Cathedral Lab | 7pm – 9.30pm

Free | Drop-in | All ages

Ely Cathedral, CB7 4DL

We're bringing Ely Cathedral to life with a whole host of science fun for all the family! We'll have something for everyone with hands-on activities and bite-size talks. See if you can beat our Cell Escape Room and find out how long you need to pedal to burn off the calories from a sugar cube. Explore Stories from Science to discover the personalities, work, passions and quirks of the people behind the science.

Sat 28th September

Science at the Cathedral

10am – 4.30pm

Free | Drop-in | All ages

Cross Green, Ely Cathedral, CB7 4DL

Join us in the LifeLab marquee for an extravaganza of hands-on science fun and thought-provoking displays. Explore the microscopic world around us from tiny machines to mysterious creatures. Programme a robot and have a go at getting DNA from strawberries. Discover the wonderful world of proteins through artworks created by local young people.

Events in Cambridge and Peterborough too. Read more and book online at camlifelab.co.uk
